

CHS Show Choir Audition Information

No student will be allowed to audition unless their parent or legal guardian has read and agreed to all of this information.

The audition process itself:

- **When:** Thursday, April 30 from 5-7:30pm. Please arrive early if possible, to expedite the check-in process. Results will be shared within a week of auditions.
- **Where:** The CHS choir room. Please enter door 34 right next to the auditorium entrance (next to the large band trailer).
- **Who:** Students who will be in grades 9-12 during the 2026-2027 school year, **are current on all last years' choir fees** (including show choir fees of course) if a returning student - AND are enrolled in a concert choir class period during the school day are eligible to audition.
- **What:** Audition music needs to be no longer than a minute, from a musical theatre, pop, or jazz song of your choice. Choose a song that best shows off your vocal and performance abilities. Students must find a backing track in advance and have it ready on their phone at auditions, either saved or on YouTube, so we can connect to a speaker and go. They may also sing A Cappella or use a guitar/ukulele, but they are still being judged on performance (including eye contact) so it should not hinder them.

The audition dance links have been included in this information share. These videos are intended to give you all the tools necessary to learn the dance. Dance captains will lead an **optional** dance clinic to rehearse this in the CHS choir room on Tuesday 4/28, from 4:45-6:00pm.

Students should wear appropriate clothes and shoes they can dance in, for the audition process.

Students should either eat before auditions, or bring a snack with them. It's important to be fueled for this type of event.
