

## CHS Show Choir Performer/Audition Contract

2026-2027

**(Submit digital signatures on form)**

I understand the expectations associated with being a part of a Centennial HS show choir and will adhere to all schedules and regulations related to it. I also understand that failure to be eligible or failure to attend rehearsals without a parental/guardian excuse may result in removal from the group at director/admin discretion. I understand that show choir students are held to a high moral and ethical standard and are expected to be models of good behavior. I realize all students involved in extra-curricular will be held accountable to the BISD/CHS Code of Conduct.

I am also aware that **attendance at show choir bootcamp is absolutely mandatory. This is because we hire an out-of-state choreographer to give us the ENTIRE show foundation/blocking/choreography during this time. Camp will be July 9-12 at CHS (most days are usually 6 hours).**

Students in the group must also commit to no major changes of physical appearance (hair color/length/etc.) during the Spring competition schedule without consulting the director, as uniformity at that time is paramount to successful group performance.

I support my child's desire to audition for Centennial HS show choir and realize that, if chosen, they will be required to attend all rehearsals and performances related to such. I realize that my student must be academically eligible in order to perform. I also realize that monetary commitments must be fulfilled according to the specified timeline.
